Democracy & Democratization: Challenges & Opportunities
November 9-12, 2016

WHAT IS SCUSA?
The Student Conference on US Affairs (SCUSA) is an annual conference hosted at The United States Military Academy at West Point. Students from over 100 colleges and universities worldwide attend SCUSA. Throughout the conference, the student delegates and cadets debate and formulate policy recommendations that realistically model American strategic responses to significant national and global challenges. The purpose of the conference is to facilitate interaction and constructive discussion between civilian student delegates and West Point cadets in an effort to better understand the challenges the United States faces today.

FUNDING: Oberlin College provides transportation from Cleveland to New York, and the Academy provides transportation to the conference, lodging and meals. You will need to get yourself to the Cleveland airport. Oberlin's representative will be selected by a sub-committee within the Politics Department.
