Dear Students and Parents,

Welcome to our 2014 Back-To-School Sale! We conduct this sale to provide new students with the latest, most reliable, and most efficient technology products at the best prices. We carefully select products that are designed to last for four years, to meet students’ demands to facilitate both work and play, and provide the best value for your money. This year, we are recommending the Apple 13” MacBook Air 8/256, and the iPad Air or iPad mini. We can provide other Mac models as well as HP Elitebook PCs. Please note Apple’s iTunes card Back to School promotional offer is good through September 9, 2014.

Order forms should be returned via fax, email or US Mail by August 15th, 2014 at 4 pm EDT to ensure your order will be ready for pickup at Orientation. We will accept orders past this deadline, but cannot guarantee availability at Orientation. Please don’t include any payment information on the form; you pay when you pick up your purchase.

During Orientation, trained staff will be available to assist in getting you set up and on the network. Pickup time and location are Tuesday, August 26th & Wednesday, August 27th from 9 am-4:30 pm, Mudd Level A. (We are closed Monday August 25.) If you are in town before then, you may pick up your order during our normal business hours of 1-4:30 pm weekdays. Please call or email to make sure the items are available.

Payment Options: We accept Mastercard, Visa, Discover, personal checks, money orders and bank checks for the exact amount. We do not accept cash, travelers checks or American Express. If you want to use a credit card and the card holder will not be present, please fill out our credit card authorization form at http://new.oberlin.edu/dotAsset/2118114.pdf. Payment is due in full when you pick up your order.
