Alumni in Service to Oberlin College — Guidelines for Sponsors

GENERAL OVERVIEW
The Alumni in Service to Oberlin College (ASOC) grant program provides the opportunity for Oberlin alumni to connect with the current Oberlin College and Conservatory community, particularly undergraduate students, via a public lecture or performance. Current students should have the opportunity to understand and explore the impact Oberlin had on the ASOC Guest’s career and personal endeavors.

All ASOC Guests must be alumni of Oberlin College or Conservatory. There should be at least one public event provided to the community. The ASOC program does not fund alumni visits solely for individual classes or courses. There must be a public announcement in a public venue for the larger campus community. See Publicity and Marketing below for more details.

Applications for ASOC Guests can be submitted online via a form located at http://new.oberlin.edu/office/alumni/volunteer/asoc.dot. Grants of up to $500 will be allocated on a first come, first serve basis for applicants that meet all ASOC criteria until all funds for the fiscal year have been assigned. Please be mindful when applying that unused allocated funds could go toward bringing more ASOC Guests to campus in a given year.

PUBLICITY AND MARKETING
The visiting ASOC Guest must provide at least one public lecture/performance for the campus community. The Office of Alumni Relations encourages sponsoring departments/organizations to fully utilize the expertise of alumni visitors with a variety of scheduled events, student meetings and other activities that enhance the academic community. We encourage sponsoring organizations to carefully consider the many interests and abilities of the ASOC Guest and coordinate the visit with a wide array of appropriate campus departments, student organizations, and other campus groups.

Please include the Alumni Association on ALL advertisements (print and online) for the ASOC Guest’s appearance.

All ASOC Guest lectures and appearances must appear on the online Events Calendar located at http://calendar.oberlin.edu. It is the responsibility of the sponsoring organization to post this information online at least fourteen (14) days prior to the ASOC Guest’s visit. It is expected that a poster or flyer for the ASOC Guest’s appearance be created and posted around campus at least seven (7) days prior to the visit.

Requests for photographers or additional public relations outreach should be directed to either the Office of Communications or Conservatory Public Relations with at least 45 days notice.

REIMBURSEMENTS AND PAYMENTS
The sponsoring organization should reimburse the ASOC Guest directly, and then seek reimbursement from the Office of Alumni Relations. You may begin the reimbursement process following the ASOC Guest’s visit by e-mailing the following items to Kim.Kosonovich@oberlin.edu:

- Name of the ASOC Guest
- Name of the sponsoring organization
- FOAP
- Scanned copies of all receipts (invoices generated by sponsoring organizations will not be reimbursed)

Alumni in Service to Oberlin College — Guidelines for Sponsors

ASOC funding will cover travel fares/mileage, individual meals, and lodging costs. ASOC funds may not be used, in full or partially, to pay for: honoraria, stipends, gifts, receptions, group dinners, spouse/additional guest expenses, or other entertainment events. More information about meals and accommodations can be found below.

Funding support from other campus sources, such as academic departments or student organizations, is encouraged and expected. The Alumni Association rarely serves as the sole sponsor for alumni speakers.

Please seek reimbursement within 30 days of the ASOC Guest’s visit. Leftover funds from allocations can be used to bring additional guests to campus.

**MEALS**

ASOC Guests may submit receipts for their individual meals while they are on campus. ASOC grants do not cover group meals, receptions, or event dinners.

A condition of the ASOC grant requests that the participating sponsor organization schedule a weekday (Monday–Friday) breakfast with the Office of Alumni Relations staff. In general, breakfast is held at 8:45 a.m. at the Black River Café and is paid for by the Office of Alumni Relations. Breakfast is not deducted from the grant allocation.

It is the responsibility of the sponsoring organization to notify the ASOC Guest of this breakfast and to include it on any printed itinerary or schedule. If scheduling does not allow for a breakfast meeting, arrangements for a coffee meeting can be made by contacting alumni@oberlin.edu.

*Prior to including breakfast on the written schedule*, please confirm the correct date and time with the Office of Alumni Relations at least four (4) weeks prior to the visit.

**ACCOMMODATIONS**

The sponsoring organization needs to make all accommodation reservations. The Office of Alumni Relations does not provide this service. If making arrangements through the College, you will receive a discounted rate at the Oberlin Inn. Please note to the Oberlin Inn reservations desk that you are reserving a room for a college event and would like the special College rate. The rate is typically **$109** per night. If you would like the Oberlin Inn to bill the Office of Alumni Relations directly, please email the following information to Kim.Kosonovich@oberlin.edu:

- The reservation number.
- The ASOC Guest’s name.
- The night(s) needed for the stay.
- The sponsoring organization.
