

Neuroscience Department's Upcoming Events

2015-2016

Each semester there are a number of opportunities to learn more and to meet formally and informally with Neuroscience faculty members. Here is an overview of upcoming events to mark on your calendar. The faculty members are always eager to know you and encourage you to join us at student/faculty gatherings.

August 26	Orientation Open House, 12:30-2:00 Science Center Commons
September	Welcome Back Gathering for Students/Faculty/Staff Neuroscience Majors' Committee Organizational Meeting
Oct/Nov	Informal Presentations of Honors Students' Proposals Panel Discussion on Research at Oberlin and Beyond Discussion on Preparing for Graduate School
Nov/Dec	Election of New Officers for Neuroscience Majors Committee Fall Potluck for Students/Faculty/Staff
January	Winter Term Student/Faculty/Staff Tea
February	Welcome Back Gathering Invitation for Eligible Students to join Nu Rho Psi, The Neuroscience Honor Society
March	After Oberlin: A Discussion about Graduate School and Beyond. Design Contest for Departmental Tee-Shirts Departmental Tee-Shirt Yearly Sale
April/May	Honors Research Presentations Induction Ceremony for Nu Rho Psi, the Neuroscience Honor Society
May	Majors/Faculty/Staff End-of-Year Picnic Neuroscience Dept Open House for Commencement Weekend

Dates and times will be announced. Check on-line or on the boards by A254 for information.

Each year the Neuroscience Department also invites several prominent scientists to come to Oberlin to share their recent research with faculty and students. Come and learn more about the field and chat with the visitor and faculty members (free pizza!). Dates and times will be posted.
