CONCERT SOUND TECHNICIAN

Schedule/Basic Info:
5-10 Hours per week. Monday - Sunday (hours depend on the number of shows booked per week). This position is supervised by the Concert Sound Equipment Technicians.
Starting wage: $8.10/hour.

Duties:
● Provide sound reinforcement for multiple campus events and venues including Dionysus Club (aka the 'Sco), Finney Chapel and Cat in the Cream Coffeehouse.
● Set-up and assist in running varying PA setups.
● Report to audio professionals on staff.

Requirements:
● Employees must have a flexible schedule, including willingness to work nights and weekends. Some shifts can be up to 8-10 hours long.
● Able to lift 40 pounds unassisted.
● Willing to work with individuals of differing ages, backgrounds, and temperament.
● Able to follow directions and communicate clearly.
● Able to stand and remain attentive for long hours.
● Must be punctual and maintain professionalism in highly stressful situations.
● Must attend weekly scheduling meeting Mondays at 12:30p.
● Must be available to return to campus on Thursday, August 20, to begin training the next day.

Qualifications:
Previous experience in live sound, audio recording, and concert lighting is preferred but also willing to take on first-years who are eager to learn and be trained. Possible incremental promotions as skill sets are realized. Able to work independently.
