Q: Where do I park on Commencement day?
A: Most faculty/staff who are not taking part in the commencement processional or working at the ceremony should park in the off-campus lot at the New Russia Township Town Hall, 46300 Butternut Ridge Road.

Two shuttle buses will operate continuous loops to and from campus. Campus shuttle stops are located in front of Wilder Hall on West Lorain Street (the same location used by airport and bus shuttles during the year) and the Conservatory South lot, south of the Conservatory and Kohl buildings. The shuttle route will run continuously starting at 7:00 a.m. Wait times should be 15 minutes or less.

Q: If I am permitted to park on campus on Monday, what do I do?
A: The following faculty, staff, and students may park in designated on-campus lots with required dashboard passes:

Graduating Seniors: Previously Designated Lots
Approved Student Workers: Union Street Lot
Commencement Procession Participants (faculty and staff): Woodland South and Hollywood Lots
Commencement Dignitaries/Commencement Stage Participants: Finney and Rice Lots
Employees Essential to the Support of Commencement: Stevenson, Professional Services Building, and South/West Service Building Lots
Drivers with Handicapped Permits: Available handicapped spaces on campus

Please see the parking lot designation guide on the reverse side.

Dashboard passes will be available as follows:
Graduating seniors, approved student workers, and commencement procession participants (faculty/staff) should pick up dashboard passes at Safety & Security prior to Monday, May 22.
Commencement dignitaries, commencement stage participants, and essential commencement workers will be given their dashboard passes by their managers or other designated individuals the week of May 15.

Handicapped Parking on Campus
State handicapped permits will be honored for handicapped spaces on campus that are available.

These parking lots should not be used:

1. Mercy Allen Hospital
Oberlin College wants to be sure that patients, staff, and visitors of the hospital and medical center are not unnecessarily inconvenienced by commencement traffic. Please respect our neighbors and do not park on this property.

2. Oberlin Splash Zone
Commencement Monday is a regular day of business for the Splash Zone. Please recognize the difference between this location and the Sports Complex lot. The shuttle will service only the Sports Complex lot.

3. Municipal Parking
Please keep in mind that City of Oberlin parking rules will be in effect. This enforcement will include, but not be limited to, “Patron Only” lots, two-hour limit lots and pass/permit only spaces. Be mindful of where you park and be courteous to our community neighbors.

Customer Service
If you have an EMERGENCY, call Safety and Security as you normally would.
If you have a special need preventing you from utilizing the shuttle service, please contact Facility Operations at x 58445. A Transportation Work Order will be created so that the request can be fulfilled in the best possible fashion.
