COMMENCEMENT/REUNION WEEKEND DATES

In 2012, the Oberlin College faculty approved academic calendar changes. As a result of these changes, commencement ceremonies will not always fall on Memorial Day. Commencement is now held on the fourth Monday each May. In some years, such as 2018, that fourth Monday is also Memorial Day. In other years, such as 2016, Commencement/Reunion Weekend will be held the week prior to Memorial Day Weekend.

A VERY MUSICAL WEEKEND

The Conservatory of Music is celebrating its 150th anniversary! To celebrate this landmark occasion, a very musical CRW has been planned. Please be on the lookout for alumni pop-up concerts, a campus-wide choral sing (sponsored by the 50th reunion class of 1966), student recitals, and more!

DASCOMB DINING HALL FOOD COURT

140 W. College St.
General meal dining (all-you-can-eat for one price, cash only, pay at the door) will be available in the Dascomb food court during the weekend. Several entrees, including vegetarian and vegan options, are available. Wild Thymes has a regular selection of traditional fares featuring the savory flavors of herbs. Ring of Fire features authentic Asian cuisines. Southside Deli has traditional sandwiches and vegetarian options. American Grill features traditional items, as well as a selection of whole meats grilled to order at the dinner meal. Focaccino has calzones, stromboli, pizzas, and other Italian dishes. RESIDENCE HALL KEY CARDS

We hope you enjoy your stay at Oberlin. Please help us reduce costs by returning your key card before you leave campus. You may leave your key in the gray drop box in the lobby of your headquarters or return it to the Commencement/Reunion Welcome Center. Oberlin College reserves the right to charge for key cards that are not returned.

GROUP PHOTO OPPORTUNITIES

Each reunion class will have a group photo taken during Commencement/Reunion Weekend on the steps of Severance Hall, 120 W. Lorain St. Staff members and class volunteers will be on hand to distribute photo cards and pencils. Alumni are asked to print their names on the back of the photo card, which will be used to create a photo key once photographs are ready for distribution.

Two photos will be taken. The first photo is taken with the photo cards visible in the photo. The cards will be collected before the final photo is taken. Photos will be available for download from the Oberlin Alumni Association website in July, with prints available for sale in August.

#ObieCRW
We want to share your Commencement/Reunion Weekend experience with others who can’t make it back to campus. As you share your moments on social media, add the tag #ObieCRW. We are collecting photographs and tweets to showcase a more complete view of our celebrations.

SELFIE STATION
Grab your friends and “Say Greens!,” “Go Yeo!” or “Obies!” at one of the Selfie Station locations on campus this weekend. Then be sure to share your photos with us using the #ObieCRW hashtag on Instagram or Twitter. Look for stations at Bibbins Hall, Finney Chapel, near Tappan Square, Old Barrows, and other places.
The Environmental Legacy of Oberlin Students

Students have played a critical role in making Oberlin College a leader in environmental issues. They successfully advocated for the purchase of green energy, adoption of a green building policy, establishment of an environmental sustainability office, and creation of a standing committee of students, faculty, and staff to oversee the development and implementation of the Environmental Policy. Students helped to build the real-time Environmental Dashboard (http://www.oberlindashboard.org/), swapped out more than 12,000 inefficient light bulbs, and created the Green EDGE Fund. Current students are continuing and expanding these efforts with initiatives such as Ecolympics, the Real Food Challenge, and more.

One of the initiatives students can be most proud of is their activism and collaborative efforts that encouraged and enabled President Emerita Nancy Dye (1947-2015) to become the first of Oberlin’s peers to sign the American College and University Presidents’ Climate Commitment (ACUPCC). Per the ACUPCC, Oberlin set a carbon neutrality date of 2025, striving to reach zero net emissions of climate-changing greenhouse gases. Oberlin is making progress on this ambitious goal by improving campus energy efficiency, reducing fossil fuel use, and incorporating renewable energy sources into the campus energy portfolio. Recently, the college became a coal-free institution. Thanks to agreements between the college and our municipal utility, and joint leadership between the college and city, the electricity serving Oberlin is now 86% renewable. In addition, Oberlin College’s large solar array generates approximately 12 percent of the campus electricity needs by producing around 3,000,000 kWh each year. It covers about 10.5 acres—about the size of Tappan Square! President Marvin Krislov is committed to continuing these efforts and reaffirmed these commitments during the international COP21 Summit by signing the White House’s American Campus’ Act on Climate Pledge.
Oberlin is committed to making Commencement/Reunion Weekend climate-considerate. Throughout this weekend, we encourage you to keep your eyes open for the following sustainability initiatives.

**Green Graduation Initiatives:**
- Green Pledge: Graduates donning green ribbons have committed to taking environmental and social considerations into their careers and lifestyles.
- Graduation programs are printed on “Environment,” 100 percent postconsumer waste recycled paper.
- Recycled paper napkins printed without artificial dyes or harmful chemicals.
- Compact fluorescent and LED lighting used in outdoor fixtures.
- Service-ware and waste: plasticware replaced with compostable bio-ware.
- Local and organic foods served.
- Composting: Champagne Dinner and Class of 2016 Family Social are fully compostable.
- Caps and gowns from Ben Franklin are made with 100 percent recycled drinking bottles.
- Carbon offsets: You have the opportunity to offset the greenhouse gases emitted while traveling to Oberlin—or you can offset your emissions for an entire year. Calculate the impact of your travel and make a donation to offset it. Learn more at http://tinyurl/nativeenergydonation.
- Student staff to oversee environmental efforts throughout the weekend. Learn more about the student-run Resource Conservation Team (RCT) at www.oberlin.edu/recycle and their programs such as the Free Store, Big Swap, and Johnson House Garden.
- Online shuttle reservations for transportation to and from Cleveland Hopkins International Airport, to provide more efficient service.
• Find a ride through Switchboard (http://oberlin.switchboardhq.com) to arrange carpooling to and from campus.

• Bike rental: You can rent a bike through the Oberlin Bike Co-op; see the Transportation section for more information.

• Printed reunion directories eliminated by all pre-50th reunions; classmates are encouraged to stay connected through the TAPPAN Network, Oberlin’s online alumni directory (http://alumni.oberlin.edu).

• Limited single-use water bottles used by Campus Dining Services during the weekend.

How Can You Contribute to the 2016 Green Commencement/Reunion Weekend?

• Take a tour of the 2.27 MW Solar Array on Saturday, May 21 from 11:30 a.m.-Noon. The College’s Sustainability Coordinator will be happy to answer your campus sustainability questions at this time.

• Take a self-guided tour of noteworthy, sustainability-related features on campus, by visiting http://tinyurl.com/OCSustainability or downloading the Oberlin College Eco Tour iOS app from the iTunes store.

• Make a donation to offset your carbon dioxide: http://tinyurl/nativeenergydonation.

• Place recyclable and compostable items in their proper receptacles around campus.

• Review the energy use in your residence hall over the weekend with Oberlin’s real-time Campus Resource Monitoring System: www.oberlin.edu/dormenergy.

• Bring your own reusable water bottle.

• Download the ObieCRW Guidebook, an app version of this booklet, at http://guidebook.com/g/obiecrw2016/.

Friday, May 20                10:00 a.m.-5:30 p.m.
Saturday, May 21               10:00 a.m.-5:30 p.m.
Sunday, May 22                  10:00 a.m.-5:30 p.m.

The Oberlin Heritage Center features three beautifully preserved buildings: the Monroe House (1866), the Little Red Schoolhouse (1836), and the Jewett House (1884). Together, the buildings and the stories they hold within offer visitors a glimpse into Oberlin’s past and tell how ordinary people in this community did some extraordinary things to influence the history of our nation. This weekend (Friday-Sunday) we are offering the Sneak Peek: Oberlin Origins tour every half hour. This 30-minute tour goes through the first floor of the Monroe House, where visitors will learn about Oberlin’s radical roots, including its founding as a “perfectionist” colony, co-education, and abolition. On Sunday we are also offering special Music in the Home tours at 10:00 a.m. and 1:00 p.m., inspired by the 150th Anniversary of the Oberlin Conservatory of Music.

Take a step back in time on one of several history walks led by docents from OHC. The Scholars and Settlers History Walk on Tappan Square focuses on Oberlin’s historic roots and the buildings surrounding this downtown, park-like setting, while the Freedom’s Friends History Walk includes stories of abolition and the Underground Railroad in Oberlin as visitors travel through the Square and end at Martin Luther King, Jr. Park. The One Step More walking tour of women’s history explores how powerful women like Lucy Stone, Antoinette Brown Blackwell, Anna Julia Cooper, and Lucy Stanton Day shaped what it meant to be a woman in Oberlin and beyond. History walks are limited in size. Please purchase tickets in advance by visiting www.oberlinheritagecenter.org or stopping by the
Monroe House at OHC. In case of rain, the history walks will be cancelled and fees refunded. Please see the schedule in this booklet for start locations for each tour and history walk.

If you are looking for something a little more flexible during your busy weekend, check out OHC’s self-guided tablet tours. Move at your own pace with our new “Picture the Past: Downtown Oberlin” and “Freedom’s Friends: Underground Railroad and Abolitionism” tablet tours of historic Oberlin. Tablet tours include historic images and interesting stories of Oberlin, along with maps to show you how to navigate to these historic spots. Rent an iPad at the Oberlin Heritage Center’s Monroe House or call to reserve.

The Museum Store offers a variety of Oberlin-themed and history-related gifts, Oberlin afghans, free visitor information, and publications including the award-winning Oberlin history comic book Oberlin: Origins and Onward! and the Bonnets to Boardrooms book of Oberlin women’s oral histories. Become a Heritage Center member and receive a discount on your purchase and free admission for history walks and tours as well as discounts at historic sites and history museums elsewhere.

The Oberlin Heritage Center is accredited by the American Alliance of Museums.
