Yes, I am willing to be listed in the database of Oberlin area citizens willing to provide guidance and/or assistance to Oberlin International Baccalaureate students with their Personal or Service Learning Projects.

Name ____________________________________________

Areas of interest or profession in which you would be willing to assist a student to grow.

__________________________________________________________________________

__________________________________________________________________________

Preferred way to contact you:

Phone: ________________________________

e-mail: ________________________________

address: ________________________________

other: (Facebook, Twitter, etc.): ________________________________

Thank you again for your offer of assistance; the schools will be in contact with you as the database of sponsors and mentors gets developed.
