Senior Orientation:
Wednesday, Sept. 15 at 7:00- 8:30 PM
West Lecture Hall, Science Center
This Orientation Session will introduce seniors to the information and resources needed to get started in registering for commencement, participating in on and off campus recruiting, applying to graduate school and employment options.

Presenting at the session will be the Registrar, members of the Career Services staff, the Senior Dean, the Dean of Studies and the Associate Dean of Studies for International Students

A series of workshops will follow up this session and provide more detailed information on graduate and job search, internships, campus recruiting etc. This schedule of workshops can be found on the Career Services website www.oberlin.edu/career

Searching for Opportunities:

• Foreign Language Careers:
  Monday, Sept. 20 at 4:30 PM; King Room 106
  An international career expert from the Monterey Institute of International Studies will provide an overview of how foreign language studies can enhance your career opportunities. A variety of career options will be discussed including: translation/interpretation, localization management, teaching, and international policy and business careers.
  Unable to attend this session? Meet with a Monterey Institute admissions representative over appetizers and refreshments at Weia Teia from 7:00 – 8:00PM RSVP to clatorre@miis.edu.
