THE ENVIRONMENTAL LEGACY OF OBERLIN STUDENTS:
Students have played a critical role in making Oberlin College a leader in environmental issues. They successfully advocated for the purchase of green energy, adoption of a green building policy, establishment of a sustainability office, and creation of a standing committee of students, faculty, and staff to oversee the development and implementation of environmental policy. Students helped to build the real-time Campus Resource Monitoring System, swapped out more than 12,000 inefficient light bulbs, and worked to assess the feasibility of wind power for Oberlin. Current students are continuing and expanding these efforts with initiatives such as Ecolympics, SEED House, and others.

One of the initiatives students can be most proud of is their activism and collaborative efforts that encouraged and enabled President Emerita Nancy Dye to become the first of Oberlin’s peers to sign the American College and University Presidents’ Climate Commitment. Per the ACUPCC, Oberlin set a carbon neutrality date of 2025, striving to reach zero net emissions of climate-changing greenhouse gases. Oberlin is making progress on this ambitious goal by improving campus energy efficiency, reducing fossil fuel use, and switching to renewable energy sources. This year, the central plant coal-fired boilers have been decommissioned and will be replaced by a hybrid heating system for campus. Oberlin’s solar array completed its first year of operation, meeting 12 percent of the College’s energy needs while exceeding estimates of available power during peak usage by 50 percent. President Marvin Krislov is committed to continuing these efforts and has made environmental leadership a focus of his presidency.
Oberlin is committed to making Commencement/Reunion Weekend climate considerate. This weekend often serves as a test case for wider campus initiatives. Throughout this weekend, we encourage you to keep your eyes open for the following environmental initiatives.

**Green Graduation Initiatives:**
- **Green Pledge:** Graduates donning green ribbons have committed to taking environmental and social considerations into their careers and lifestyles.
- **Graduation programs** are printed on “Environment,” 100 percent postconsumer waste recycled paper.
- **Recycled paper napkins** printed without artificial dyes or harmful chemicals.
- **Compact fluorescent lighting** used in outdoor fixtures.
- **Service-ware and waste:** plasticware replaced with compostable bio-ware.
- **Local and organic** foods served.
- **Composting:** Kickoff Dinner and Champagne Luncheon are fully compostable.
- **Carbon offsets:** Opportunity to purchase carbon offsets to offset the greenhouse gases emitted while traveling to Oberlin. Proceeds go to the POWER Fund, a local carbon offset home energy-efficiency program to benefit low-income homeowners, and the Carbon Management Fund, a student-initiated offset program established to provide the solutions to realize Oberlin College’s commitment to carbon neutrality by 2025. Through a variety of community-focused carbon offsetting projects, like tree planting, the Carbon Management Fund will target sources of carbon emissions resulting from Oberlin’s campus life that are unlikely to disappear by 2025.
- **Student staff** to oversee environmental efforts throughout the weekend.
- **Online shuttle reservations** for transportation to and from Cleveland Hopkins International Airport, to provide more efficient service.
- **Reunion/Event Ride Finder** website to arrange carpooling to and from campus.
Printed reunion directories eliminated by all pre-50th reunions; classmates are encouraged to stay connected through OBIEWeb, the alumni online community.

Limited single-use water bottles used by Campus Dining Services during the weekend.

How can you contribute to the 2014 Green Commencement / Reunion Weekend?

Visit the Office of Environmental Sustainability’s Green Education Table during guided tour times!
• Make a donation to offset the carbon dioxide emitted during your travel (can be done at the Green Education table).

• Go to the film screening of Network Theory and Digging Ohio City, which highlight local food movements within Ohio, on Saturday, May 24 at 4:30 P.M. in Hallock Auditorium.
• Place recyclable and compostable items in their proper receptacles around campus.
• Review the energy use in your residence hall over the weekend with Oberlin’s real-time Campus Resource Monitoring System: www.oberlin.edu/dormenergy.
• Rent a bike from the Bike Co-op or walk to events around campus, when possible, instead of driving.
• Parents and alumni are invited to adopt the green ribbon pledge and wear their own ribbons during the weekend. Learn more at the Green Education table.
• Bring your own reusable water bottle.

We thank you for your support and look forward to making Oberlin a greener campus!
Weekend guests have an opportunity to see Oberlin, a beautiful documentary book about Oberlin College & Conservatory. Oberlin is the fruit of a three-year collaboration between Oberlin College and College Green Publishing; from that collaboration a unique 500-page memorabilia publication has been produced. The book features images from the Oberlin Archives from every era, essays drawn from dozens of interviews, and the highest-quality contemporary photography, which was commissioned for this notable work. Ten percent of the cover price will be donated to create an endowed scholarship fund that will benefit future generations of Oberlin students.

A copy of Oberlin is on display in the Commencement/Reunion Welcome Center. Books can be purchased at the Oberlin Bookstore, Ben Franklin/MindFair, or online at oberlinbook.com.
The Department of Athletics is committed to promoting healthy lifestyles and providing health and wellness opportunities for patrons. We invite you to explore all that Philips Physical Education Center has to offer. The center will be open Friday, Saturday, and Sunday. Visitors will have full access to cardio equipment, weight room, sauna, track, swimming pool, and basketball, tennis, racquetball, and squash courts. Most equipment can be borrowed from the equipment room.

Bowling is available in Hales Annex at College Lanes. The prices are $2.50 per person per game and $1.00 for shoe rental.

In addition to the annual 5K walk/run on Sunday morning, we are offering morning yoga sessions on Saturday at 8:30 A.M. and Sunday at 9:00 A.M. in the Warner Center Dance Studio. We have partnered with Campus Dining Services and Bon Appétit to provide healthy food choices throughout the weekend. Look for “Healthy Options” at reunion and campus meals.
Events listed within this program constitute the schedule of activities taking place at Oberlin College during the weekend. Events are sponsored by the college and the Commencement/Reunion Weekend Committee, individual groups, departments, programs, and reunion classes.

Parents and families of graduates are invited and encouraged to attend events that are of interest. Any remaining available tickets to performances may be purchased at the Commencement/Reunion Welcome Center.

Due to the popularity of ticketed events, late arrivals will forfeit seats if arriving 30 or more minutes after the published start time. No refunds will be issued.

Monroe House, 73½ S. Professor St., on the path behind the Kohl Building. Parking available near 20 W. Vine St.

The Oberlin Heritage Center features three beautifully preserved buildings: the Monroe House (1866), the Little Red Schoolhouse (1836), and the Jewett House (1884). Together, the buildings and the stories they hold within offer visitors a glimpse into Oberlin’s past and tell how ordinary people in this community did some extraordinary things to influence the history of our nation. This Friday, Saturday, and Sunday we are offering the Sneak Peek: Oberlin Origins tour every half hour. This 30-minute tour goes through the first floor of the Monroe House, where visitors will learn about Oberlin’s radical roots, including its founding as a “perfectionist” colony, co-education, and abolition.

Take a step back in time on one of several history walks led by docents from the Oberlin Heritage Center. The Scholars and Settlers History Walk of Tappan Square focuses on Oberlin’s historic roots and the buildings surrounding this downtown, park-like setting, while the Freedom’s Friends History Walk includes stories of abolition and the Underground Railroad in Oberlin as visitors travel through the Square and end at Martin Luther King, Jr. Park. The “One Step More” walking tour of women’s history explores how powerful women like Lucy Stone, Antoinette Brown Blackwell, Anna Julia Cooper, and Lucy Stanton Day shaped what it meant to be a woman in Oberlin and beyond. History walks are limited
in size. Please purchase tickets in advance by visiting www.oberlinheritagecenter.org or stopping by the Monroe House at the Oberlin Heritage Center. In case of rain, the history walks will be cancelled and fees refunded. Please see the schedule in this booklet for start locations for each tour and history walk.

The Oberlin Heritage Center Museum Store offers a variety of Oberlin-themed and history-related gifts, Oberlin afghans, free visitor information, and publications including the award-winning Oberlin history comic book Oberlin: Origins and Onward! and the new Bonnets to Boardrooms book of Oberlin women’s oral histories. Become a Heritage Center member and receive a discount on your purchase and free admission for history walks and tours as well as discounts at historic sites and history museums elsewhere.

For more information about the Oberlin Heritage Center or its programs, please visit www.oberlinheritagecenter.org, call 440.774.1700, or send an email to members@oberlinheritage.org. The Oberlin Heritage Center is accredited by the American Alliance of Museums.
