The following is designed to help you in developing a positive, healthy roommate relationship. This agreement is for you and your roommate(s) to discuss. Upon completion, you should turn in the completed form to your RA who will then meet with you and your roommate to discuss your responses. By initializing the document, it simply indicates a good faith acknowledgment that you have read, discussed, and completed this document.

Please complete:

Name: ____________________________________________________
Name: ____________________________________________________
Name: ____________________________________________________
Name: ____________________________________________________
Building: ______________ Room: ______________
