Before your first day of work, please call Human Resources at (440) 775-8430 to make an appointment. You will be asked to stop in our office to complete paperwork. You will also be scheduled to attend a “New Employee Orientation” for an overview of your benefits and OC policies.

**NOTE:** Paychecks, health insurance, etc., cannot be processed until you officially sign-in at the Department of Human Resources. The benefit plans listed below have a 31-day initial enrollment period. If you do not enroll within that time period, you will have to wait until Open Enrollment, which has an effective date of January 1 of the following year.

Payroll is processed monthly and is paid on the last working day of each month. Direct Deposit is required with the ability to deposit at the institution(s) of choice. Enrollment will take place at the time of processing at the Department of Human Resources.

The above descriptions of employee benefits have been simplified as much as possible, consistent with accuracy. More comprehensive materials containing detailed descriptions of benefit plans are available in the Office of Human Resources. The provisions found in detailed benefit plan documents and policies, and collective bargaining agreements take precedence over these descriptions where there appears to be conflict between the two. The specific provisions of Oberlin College benefit plans are subject to periodic change.
