

RCT
December 2012 Report

Farmer's Market

- Swap box at Eastwood Elementary for the Farmer's Market
- Happened for 2 weekends
- In total collected 4 trash bags

Wilder Swap Box

- Got permission to put out purple bin as a constant Free Store drop off box

Compost

- 442 lbs of compost this month
- Finished up bucket
- Tabled in Mudd, will continue to do this next semester
- Bridget Flynn contacted us about Bucknell wanting to start up a Residential Compost System based off our current system

Peer Evaluations

- Met with Keith to discuss possible avenues for personal/professional growth

Con

- Create a better recycling initiative in the Conservatory
- Picked up CDs for recycling

Hiring

- Finished interviews and determined new hires
- Had a brief meet and greet with the new members

Winter Swap

- Put out boxes in key residential locations
- Have conducted several runs
- Gave purple bags to the lead HLEC of the Co-Ops to collect stuff from co-oppers as well
- Advertising on classifieds, through ResEd, in dorms, and in The Source

Free Store

- Cleaned the free store (all bed sheets off the floor)
- Several people have come in from village housing to get blue bags

Used Poster Collections

- Put some folders up in King to collect old posters

Napkins

- CDS to change location of napkins and possibility of a dispenser as opposed to a stack, which can be contaminated

Residential Education

- Started talks to change the “What to Bring” list for first years

Garden

- Reference guide for how to run the garden in the Spring

Outreach

- Caroline met with Eric Burnett (sp?) about recycling
- Carson went on the radio to talk about the Winter Swap
- Utilized classifieds for Winter Swap
- Headwater’s article that Amanda and Angus wrote
